Vehicles registered for participation in a VV4W, or VV4W sanctioned event are subject to a "Vehicle Inspection". VV4W makes NO representation as to the impact of such an inspection upon "safe" participation in an event. Failure to pass such an inspection will disqualify the vehicle from participating in the event. All determinations pertaining to the "Vehicle Inspection" shall be at the sole judgement of the event committee and/or its designated vehicle inspectors. If a vehicle fails to pass an inspection, correction of any deficiencies may be attempted and the vehicle re-inspected, provided such correction and re-inspection can be conducted without impact to event schedules.

The following are MINIMUM VEHICLE REQUIREMENTS, which if not met, disqualify a vehicle from participating in an event.

- \_\_\_ **Vehicle Registration:** Must be current
- \_\_\_ **Liability Insurance Coverage:** Must be current, and meet applicable governmental requirements
- \_\_\_ **Parking Brake:** Must be able to hold vehicle when applied
- \_\_\_ **Lights – Brake, Headlights, Running Lights, & Turn Signals:** Must be functioning properly
- \_\_\_ **Tires:** All tires, including spare, must have at least 2/32" of tread; Spare tire must be fully inflated & be within 3" of existing tires
